

PLEASE JOIN US AT

As our special invited guest, you can SAVE an ADDITIONAL \$300 on your Conference Pass or register for a FREE Expo Pass (\$45 value). You must use Priority Code RDGUEST when registering to take advantage of this offer.

Join the international robotics community at the 2nd Annual RoboDevelopment Conference & Exposition. RoboDevelopment is the must-attend event for those interested in the technical issues involved with the design and development of the next generation of personal, service and mobile robots.

Visit www.robodevelopment.com for complete event information or click the links below for some highlights.

- Learn from **the industry's most comprehensive [conference program](#)** covering these critical topics:
 - Achieving Autonomy
 - Systems and Systems Engineering
 - Tools and Platforms
 - Enabling Technology
 - Design and Development
- **Valuable [networking opportunities](#)** that put you in touch with peers, industry experts and up-and-coming talent:
 - Evening Welcome Reception
 - Speaker Meet & Greet
 - Birds-of-a-Feather Discussions
 - Microsoft Breakfast Keynote
- **[Keynote presentations](#)** delivered by internationally recognized industry leaders:
 - Sebastian Thrun - Winner of the DARPA Grand Challenge; Director, Artificial Intelligence Laboratory, Stanford University
 - Maja J. Mataric - Founding Director, USC Center for Robotics and Embedded Systems, USC Robotics Research Lab
 - Jeanne Dietsch - CEO, MobileRobots Inc
 - Michael Bruch - Section Head, Space and Naval Warfare (SPAWAR) Systems Center
- **[Exposition floor](#) featuring what's new and what's next in robotics design and development.** Event sponsors include leading robotics organizations, universities and media.

Register online at <http://www.robodevelopment.com/register/> or call 800-305-0634. Use Priority Code **RDGUEST** when registering to save \$300 on your Conference Pass or get a FREE Expo Pass.

For information on Sponsorship and Exhibiting Opportunities, contact Ellen Cotton at ecotton@ehpub.com or 508-663-1500 x240.

RoboDevelopment is a business-to-business professional conference; No one under the age of 18 will be admitted.
